In the latest episode of Garden Wise, learn all about beautiful ornamental grasses when host Billy Goodnick visits Seaside Gardens in Carpinteria. Then we continue our series about local landscape designers and how they can help you transform your property. Plus, we'll learn all about microclimates when we take a trip to the Santa Barbara Botanic Garden. Finally, we find out the role of an arborist and how they are critical to maintaining a healthy urban forest.

Sundays at 9:30 PM on City TV Channel 18
Also airs on County GATV 20 Mon-Wed 7:30 PM & 10 PM
